TO: Honorable Mayor and Members of the City Council
FROM: Suzanne Sherman, City Manager
DATE: July 28, 2022

I am pleased to submit to you the proposed budget for Fiscal Year 2023. This budget reflects the parameters identified in the Fiscal Year 2023 Budget Workshops held on June 21, 2022, and July 14, 2022. The budget is based on final taxable values; yet has not been updated for certain pending state-shared revenues, as this information was not yet available at the time of preparation of the preliminary budget for distribution by the scheduled date.

Current year gross taxable values for operating purposes, including new construction, total \$6,572,994,724. This reflects an increase of \$1,232,102,396, or 23.1%, from prior year final taxable values. Taxable values from new construction total \$341,044,722 reflecting an increase of \$132,913,958, or 63.9%, from the prior fiscal year.

On November 8, 2016, the electorate voted to approve an ad valorem tax limitation of no more than a three percent (3.0%) increase in revenue over the current year's budgeted revenue amount. This is often referred to as the "3.0% CAP." Under this three percent limitation, the City's ad valorem millage rate is capped at 6.7770 mills, an increase in revenue of \$1,137,403 (excluding new construction) based on the current taxable values from the previous fiscal year. Since the advertised proposed maximum millage rate of 7.5995 is above 6.7770, to establish this higher rate, if desired, the City will need approval by a supermajority vote of City Council. The proposed budget has been developed based upon a rate of 7.5995, as recommended by City Council during the previously held Budget Workshops, and based upon a declaration of critical need in accordance with the City Charter.

If approved at the proposed rate of 7.5995, a total ad valorem revenue of \$46,381,681 would be generated. This reflects an additional revenue of \$8,468,263 from the previous fiscal year, which includes the following: the previously mentioned \$1,137,403 revenue at the 3.0% CAP; \$4,739,092 in revenue (excluding new construction) above the 3.0% CAP; and \$2,591,768 in new construction valuations.

The General Fund Fiscal Year 2023 Proposed Budget was built assuming an adoption of a rate of 7.5995 generating a total ad valorem revenue of \$46,381,681. This reflects a revenue increase of \$8,468,263 from the previous fiscal year, of which \$2,591,768 is accounted for in new construction valuations, and supports the following city-wide expenditure increases:

- A 3.0% salary increase for general employees, union contracts and City Council
- Mandatory police and fire retirement (pension) contributions
- A 7.0% increase in health insurance benefits
- A \$1 million contribution towards Road Maintenance funding

- A \$2.5 million set-aside for pending NAGE White/Blue union contract negotiations & citywide salary study results
- \$2.7 million investments into Capital funding needs

For Fiscal Year 2023, all departments were allocated a set operating budget based on the 2022 Fiscal Year approved data, excluding one-time appropriations, and set allocations controlled by the Budget Office. Each department was tasked to work within the maximum amounts allocated and additional needs, whether personnel, additional operating and/or capital, were submitted to the Budget Office and City Manager for consideration pending funding availability. This encouraged Departments to thoroughly review their funding needs and identify available dollars that could be reallocated for higher priority requirements. In total, General Fund personnel, operating and capital unfunded requests equaled \$12,281,312, of which \$1,735,855 were considered high priority based on mandates and/or contractual requirements. Capital needs accounted for \$7,930,955, or 64.6%, of the total General Fund unfunded requests.

The total Fiscal Year 2023 Proposed Budget reflects an overall 25.5%, or \$98,569,488, expenditure decrease from the FY 2022 Amended Budget, while the General Fund reflects a 1.3%, or \$1,222,227, increase from the previous fiscal year amended budget. The currently proposed General Fund budget covers personnel and operating requirements, debt service obligations, along with the previously listed funding for Road Maintenance, future anticipated salary adjustments, and capital needs. Pending any net increase and/or decreases in revenue projections still outstanding from the State, all estimated revenues have been budgeted for Fiscal Year 2023.

The Utility Department's budget includes \$20.4 million in new requests for Fiscal Year 2023 across all Funds, of which \$13.0 million are dedicated to capital improvement projects and needs, including continued investments into water/wastewater facility construction and expansion, and an increase in meter installations and lift station rehabilitations/relocations.

The Building Department's budget includes \$783,035 in new requests for Fiscal Year 2023 covering costs for 15 electric vehicle/pick-up trucks and charging stations.

The G.O. Road Program Fund includes \$14.0 million towards opening five (5) new paving projects in Fiscal Year 2023.

The Stormwater budget includes \$11.5 million in new requests for Fiscal Year 2023; all capital improvement funding including culvert replacements and road drainage projects.

On November 6, 2018, voters approved a referendum allowing for the issuance of up to \$150,000,000 in general obligation bonds by the City to finance roadway improvements. The first issuance of the 2019 General Obligation Bonds in a principal amount not exceeding \$50,000,000 was approved by City Council on May 19, 2019, via Resolution 2019-13. The second issuance of the 2021 General Obligation Bonds in a principal amount not exceeding \$50,000,000 was approved by City Council on January 7, 2021, via Resolution 2021-04. The primary purpose of the Series 2019 and 2021 bonds is financing a portion of roadway projects, approved by City Council, through ad valorem taxes levied on all taxable property to pay for debt service requirements on the Bonds themselves. As a result, the budget includes a proposed debt millage rate of 1.0931, generating a total revenue of \$6,977,575, which is restricted and designated for principal and interest debt service payments due in the FY 2022 budget year as follows: 2019 General

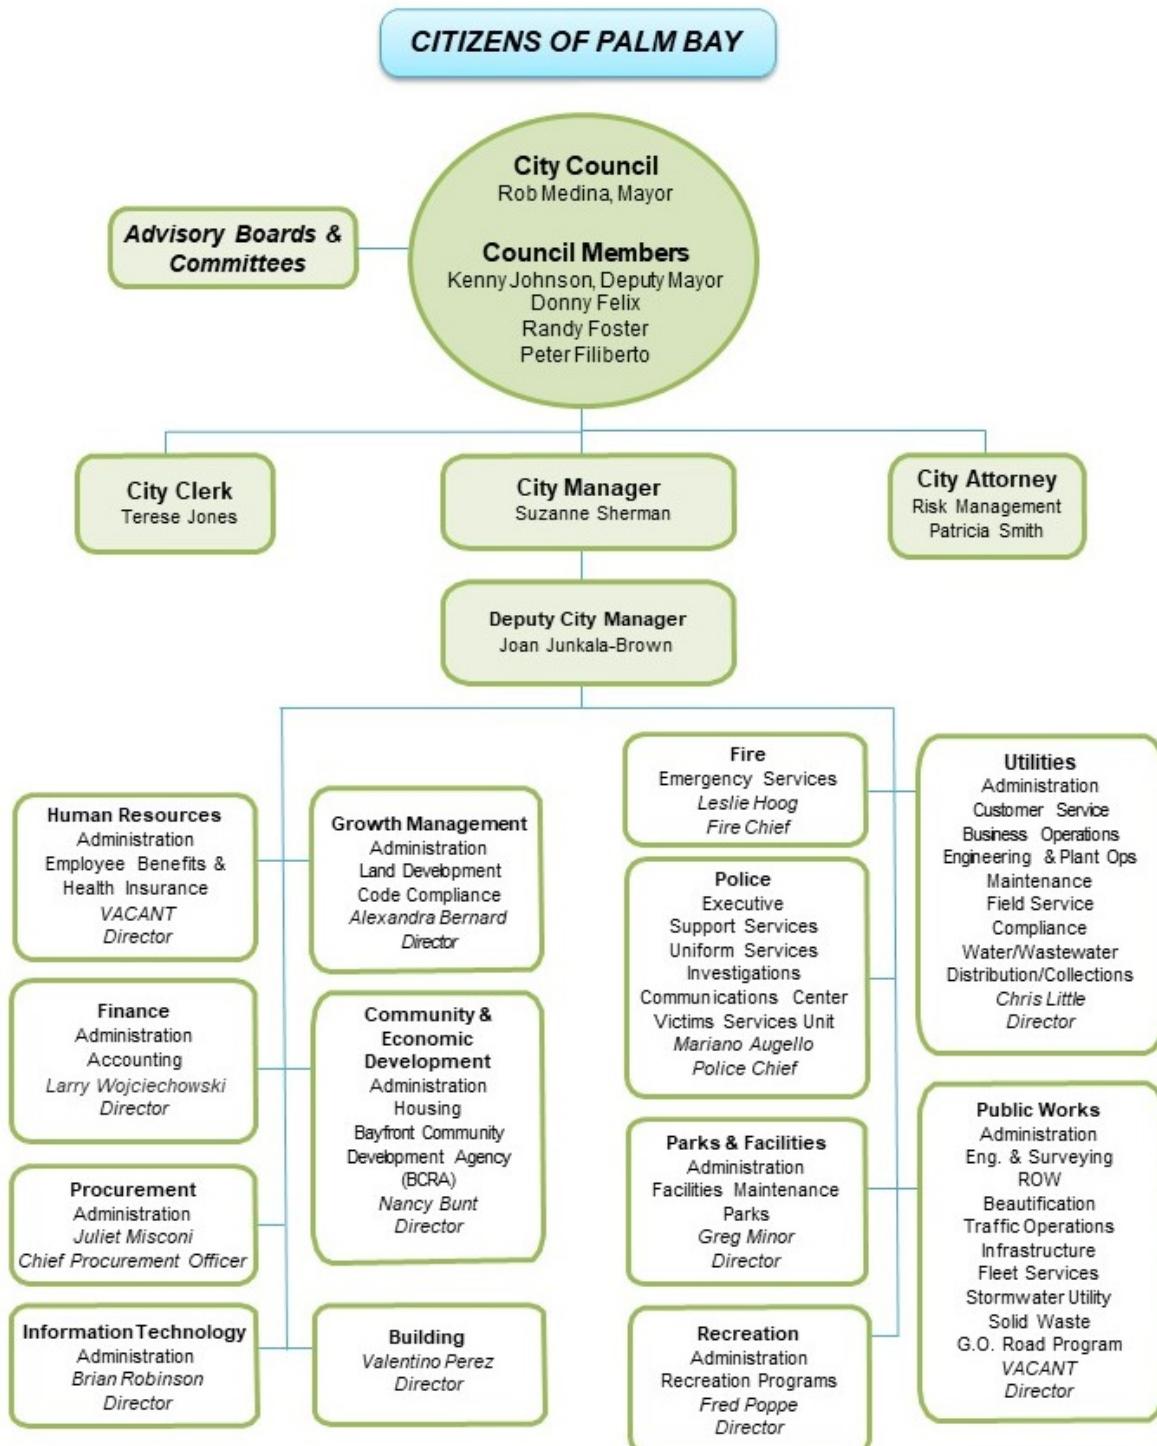

Obligation Bonds total debt service of \$3,527,750, and 2021 General Obligation Bonds total debt service of \$3,450,150.

The City has made significant strides in recovering from the economic downturn that impacted the area, and for the first time in 15 years the gross taxable values, totaling \$6,572,994,724, exceed data recorded prior to the five (5) year decline between 2008/2009 and 2013/2014. Values have increased 161.2% over the past nine (9) to ten (10) year period after the City reached its lowest valuations totaling \$2,516,839,563. State-shared revenues, which account for an estimated range of 20.0% to 25.0% of all General Fund revenues increased by \$2.3 million, or 13.2%, between Fiscal Years 2021 and 2022. While state-shared revenue data for Fiscal Year 2023 is still pending and has not been included in the preliminary budget, estimated values are projected to increase by nearly 4.0%.

The City continues to build the foundation for future growth and improved financial stability through City Council support and a team dedicated to ensuring the City provides high quality, responsive services with integrity that fulfill a public purpose.

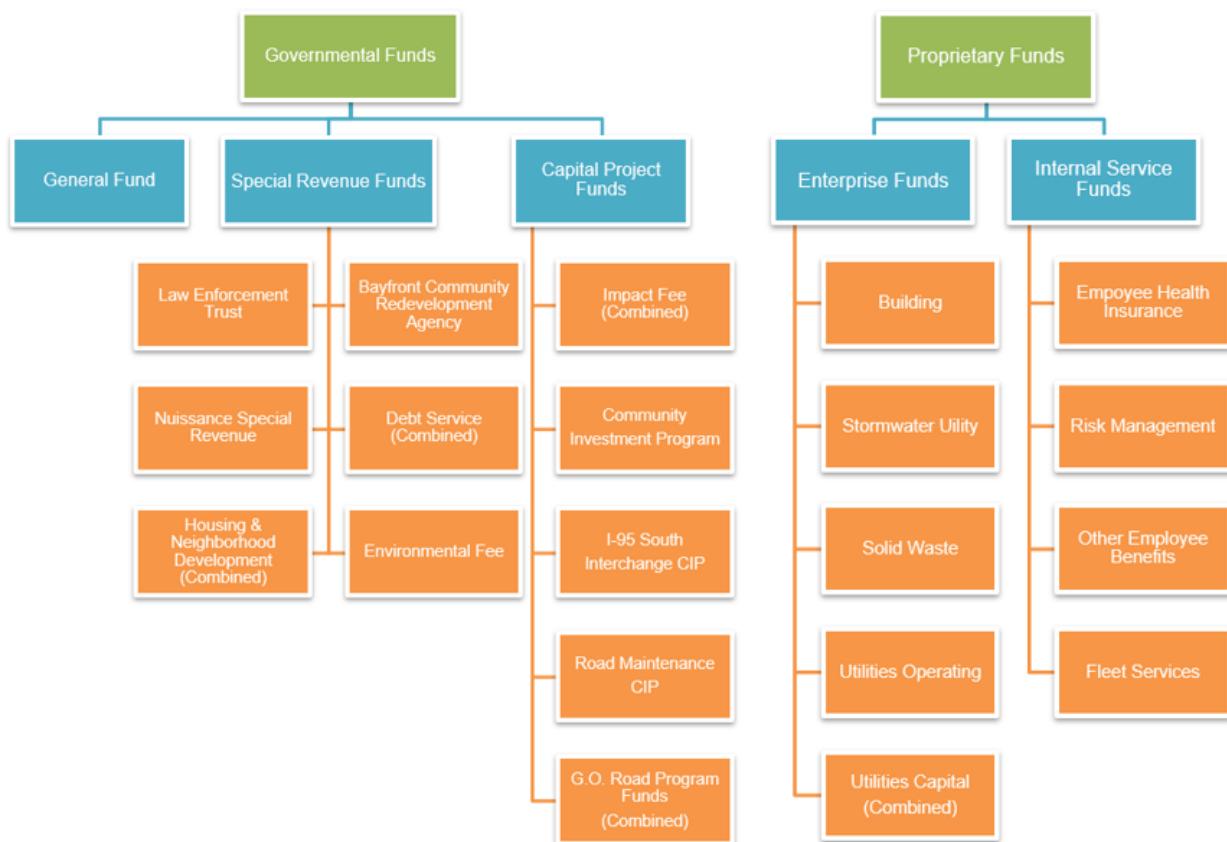

Thank you for your continued support of the City's team as we work together to serve our great community.

FY 2023 CITY OF PALM BAY PROPOSED ORGANIZATIONAL STRUCTURE

FUND STRUCTURES & ANALYSIS OVERVIEW

The City of Palm Bay's funds, departments, divisions and accounts are organized based on fund and account groups. Each fund is considered a separate accounting entity; operations within each fund are accounted for with a separate set of self-balancing accounts that comprise the City's assets, liabilities, fund equity, revenues and expenditures/expenses. Government resources are allocated to and accounted for in each fund based on spending purposes and by what means activities are controlled. All City funds can be separated into three categories: *governmental, proprietary, and fiduciary funds*.

Governmental Funds

The **General Fund** is the City's largest fund. Governmental services include legislative oversight, general and financial administration, law enforcement, community development, streets and drainage system operations and maintenance, and parks and recreation operations and maintenance. General Fund activities are primarily funded through property taxes, franchise fees and certain state-shared revenues. General Fund activities comprise of approximately 38.3% of the City's annual budget and are accounted for on a Modified Accrual Basis.

A **Special Revenue Fund** is generally established to account for revenues restricted by statute or ordinance for a specified purpose, or when a request for separated accounting of special project costs is needed. The accounting for these funds is on a Modified Accrual Basis.

A **Capital Project Fund** is generally a special revenue fund established to track specific capital infrastructure construction projects and/or acquisitions. Although some capital project funds can be classified as enterprise funds (such as the Utilities Community Investment Funds), for the purposes of this

document they are listed and presented as capital project funds. The accounting for these funds is on a Modified Accrual Basis.

Proprietary Funds

The City maintains two types of proprietary funds that are accounted for on a full accrual basis.

- An **Enterprise Fund** is used for business-type activities within the City. The information focuses on near-term inflows and outflows of spendable resources, as well as the balance of spendable resources available at the end of each fiscal year presented. The City uses enterprise funds to account for the water and wastewater utilities operating activities, building functions, stormwater utility and solid waste activities.
- An **Internal Service Fund** is used to track the accumulation and allocation of costs internally among the City's departments and funds. The City uses internal service funds to account for the administration of employee health insurance and other employee benefits, risk management, and fleet service activities.

The City also operates two other types of funds that are not included in this Approved Budget document: **Agency** and **Trust Funds**.

Fiduciary Funds

An **Agency Fund** accounts for money received by the City that is held on behalf, and for the benefit of, others. Agency funds are not budgeted as amounts received or disbursed are not City revenues or expenditures. The City maintains two Agency Funds: (1) 401A Retirement Plan and (2) 457 Deferred Compensation Plan.

A **Trust Fund** accounts for revenues (received and held by the City) that are restricted by statute or ordinance, or per the donor's request. Trust Funds are not budgeted. The City maintains one Trust Fund: (1) Police and Firefighter Pension Trust Fund.

FUND DESCRIPTIONS

General Fund

This fund is the chief operating fund of the City.

Law Enforcement Trust Fund

This fund is used to account for proceeds obtained through the sale of confiscated and unclaimed property turned over to the City through court judgments. The proceeds are to be used solely for crime fighting purposes.

Code Nuisance Fund

This fund is used to account for transactions related to properties with code violations where the owners are unwilling to abate the problems.

Housing & Neighborhood Development Grant Funds

These funds identify and implement programs and activities that benefit low and moderate-income people and improve neighborhoods within the City limits. Funding is received from, and includes the following:

- U.S. Department of Housing and Urban Development's Community Development Block Grant (CDBG) Program
- Brevard County HOME Consortium – HOME Investment Partnerships (HOME) Program
- U.S. Department of Housing and Urban Development's Neighborhood Stabilization Program (NSP)
- State of Florida's State Housing Initiatives Partnership (SHIP) Program
- Other State and Federal Grant Programs.

Impact Fee Trust Funds

These funds are used to account for proceeds provided for the acquisition and/or improvement of urban district park facilities, police capital facilities, fire capital facilities, and the expansion of the City's major road network system. In FY 2019, Impact Fee Funds were broken down into Nexus/Zip code areas resulting in four (4) funds per type for the following zip codes: 32905, 32907, 32908 and 32909.

Environmental Fee Fund

This Fund is used to account for transactions related to the City's Incidental Take Permit issued by the United States Fish and Wildlife Service.

Bayfront Community Redevelopment Agency Fund

This fund is used to account for the ad valorem tax increment revenues accumulated for the community development in areas where taxes were assessed.

Debt Service Funds

The City has several debt service funds. They are used to account for the payment of principal and interest on outstanding general governmental revenue bonds.

Community Investment Fund

This fund is used to account for financial resources earmarked for the acquisition of construction of major capital facilities or other project-oriented activities.

I-95 Interchange Fund

This fund is used to account for financial resources earmarked for the construction of an interchange between St. John's Heritage Parkway (Palm Bay Parkway) and Micco Road.

Connector Road I-95 Interchange Fund

This fund is used to account for the acquisition and construction costs of a new connector road to the I-95 Interchange exit and the intersection of Babcock Street.

Road Maintenance CIP Fund

This fund is used to account for financial resources earmarked for the maintenance and repair of existing roadways.

Connector Road I-95 Fund

This fund is used to account for financial resources earmarked for the construction of St. John's Heritage Parkway (Palm Bay Parkway) from Babcock to interstate 95.

G.O. Road Program Funds

These funds to account for financial resources earmarked for the maintenance and repair of roadways funded by the 2019 General Obligation (G.O.) Bond and 2021 General Obligation (G.O.) Bond.

Utility Fund

This fund is used to account for activities of the utility services provided. This fund is an enterprise fund in that it fully supports its operations.

Utilities Capital Funds

These funds are used to account for financial resources from dedicated revenue streams, capital improvements to the City's Water and Wastewater systems, and the principal and interest payments of various bond debt service.

Building Fund

This fund is used to account for building-related activities within the City. Revenues are primarily generated by user licenses and permits.

Stormwater Fund

This fund is used to account for Stormwater services in the City.

Solid Waste Fund

This fund is used to account for Solid Waste services in the City.

Risk Management Fund

This fund is used to account for the expenses incurred for workers' compensation claims, general and auto liability claims and property damage claims and the related administrative expenses to operate the City's risk management program. Revenues are generated by charges to the various departments and funds based on experience and actuarial estimates.

Employee Benefit Funds

These funds are used to account for expenses incurred for insured and self-insured benefits under the City's Section 125 "cafeteria" benefits plan maintained for the City employees.

Fleet Services Fund

This fund is used to account for the fiscal activity related to meeting the automotive and other vehicular needs of the City. This fund purchase vehicles, maintains them and charges user departments for the vehicular usage.

TOTAL	93,375,216	84,340,772	9,034,444	10.7 %

Property taxes, also known as ad valorem taxation revenue, is the largest single revenue source totaling \$46,501,681, or 49.8%, of the total FY 23 Proposed Budget. Revenue derived from taxes levied on the value of all real and personal property located in the City of Palm Bay. These taxes are levied based on property values; they are commonly referred to as "ad valorem taxes." The taxes are collected by the Brevard County Tax Collector and forwarded to the City of Palm Bay as they are received. The proposed budget property tax rate of 7.5995.

On November 8, 2016, the electorate voted to approve an ad valorem tax limitation of no more than a three percent (3.00%) increase in revenue over the current year's budgeted revenue amount, excluding new construction valuations. Under the three percent (3.00%) limitation, often referred to as the 3.00% CAP, the City's ad valorem millage rate is capped at 6.7770 mills. Since the advertised proposed maximum millage rate of 7.5995 is above 6.7770 mills, to establish this higher rate, if desired, the City will need approval by a supermajority vote of City Council. The proposed budget has been developed based upon a rate of 7.5995, as recommended by City Council during the Budget Workshops held on June 21, 2022 and July 14, 2022.

GENERAL FUND - EXPENDITURE ANALYSIS

BUILDING

Departmental Summary

Mission

Maintain and continually improve the quality of service we provide to all our customers. Implement current technology and practices to gain efficiencies in our processes to increase our opportunities for economic development. Fulfill all work to be fair, prompt, and consistent. Build and maintain stakeholder relationships.

The following tables provides a comparison of the FY 2023 Proposed Budget data to prior fiscal years:

Expenditure Analysis

The Building Department was officially created as a stand-alone Department via Ordinance 2020-63, approved by City Council on October 1, 2020. Prior to this approval, the Building Department was a Division under the Growth Management Department. Due to timing of the approval, the FY 2021 Approved Budget for this Department was reflected under the Growth Management Department and all budgets were transferred to the Building Department via FY 2021 Budget Amendment #1, approved by City Council on January 21, 2021.

PARKS & RECREATION

The following tables provides a comparison of the FY 2023 Proposed Budget data to prior fiscal years:

Expenditure Analysis

Mid-FY 2021, the Parks & Recreation Department was eliminated via Ordinance 2021-38. Through the elimination, all Parks related activities were moved to the Parks & Facilities Department including Impact Fees. The recreation related activities are now housed in the newly creation Recreation Department. For reporting purposes, the Parks & Recreation Department is still included to reflect FY 2021 Actuals. Effective FY 2024, the Parks & Recreation Department will no longer be included in budgetary reporting.

Any outstanding FY 2022 Amended Budget data will be moved to the appropriate Department by September 30, 2022.
