

LEGISLATIVE MEMORANDUM

TO: Honorable Mayor and Members of the City Council

FROM: Suzanne Sherman, City Manager

DATE: 7/21/2022

RE: Resolution 2022-38, amending Resolution 2021-52, as amended, adopting Classification and Pay Plans and the Position Control Plan for employees of the City of Palm Bay (third amendment).

The following are the adjustments to the Position Control Plan for the third quarter of FY 2022:

Community & Economic Development: Increased the paygrade of the Housing Administrator from a grade AA to grade AB to properly align it with all the other division manager paygrades in the City. Reclassified one filled Housing Assistant to a Housing Program Specialist I as this position is needed to administer federal grant dollars, as well as SHIP and HOME program funding. Funding comes from the department's current budget from salary savings due to vacancies.

Finance: Reclassified one (1) filled Accountant II to a Senior Accountant. The current incumbent has been in the trainer role, training new Accountant I's and II's, is the backup for AP and Payroll, and in the absence of the Chief Accountant, shares oversight of the Accounting Division with the other Senior Accountant. He has been performing the duties of the Senior Accountant since November 2021. This reclassification also allows for a succession plan for future retirements. Funding comes from the departments existing budget due to the retirement of two employees.

Fire Department: Reclassified three (3) Firefighter positions to Fire Driver Engineer positions which will cover the staffing for Tender 4, allowing a critical apparatus to be staffed full time. Addition of one new part-time position, Fire Analyst. This position is needed to provide precise fiscal management, track growth, grants, and forecasting needs for personnel and equipment. Reclassified one (1) Fire Lieutenant to a Fire District Chief. This position will also serve as the Fire Marshal. Funding for these changes come from savings from a vacant position for the remainder of this fiscal year.

Growth Management: Reclassified one (1) vacant Planner position to a Senior Planner. The need for this change is due to the type of projects being submitted to and by the City which must be reviewed by a Senior Planner or above. Reclassified one (1) filled Administrative Secretary to an Office Manager. The duties and responsibilities for this employee have greatly increased due to growth in the City and department and have exceeded those of the Admin Secretary and are aligned with the Office Manager position. No impact to the budget for these reclassifications as funding comes from current vacancies in the department.

Human Resources: Reclassified one (1) Human Resources Generalist II to a Human Resources Generalist I.

This change allowed us to fill a much-needed vacancy in the HR Department. This also created savings and a positive budgetary impact.

Information Technology: Reclassified one vacant (1) Database Administrator to the newly created position of Senior Database Administrator. Reclassified two (2) Network Administrators; one to a Network Operations Manager. This position will serve as a Division Manager to provide oversight to citywide network operations. The second to a Network Manager who will be responsible for disaster recovery, advanced cyber security initiatives, and network monitoring. Reclassification of four (4) IT Support Specialist positions to IT Support Specialist III. This position is reclassified to allow for the creation of a tiered system as well as the addition of advanced level responsibilities. Reclassification of one (1) Support Services Coordinator to a Budget Officer as position has evolved to handling budget and procurement and is responsible for IT expenditures. Reclassification of one (1) Administrative Secretary to an Office Manager due to addition of administrative tasks and department needs. Increased the pay grades of the Systems Administrator (from V to Z) and the Telephone Administrator (from V to X) positions to better align the roles within the department and to maintain a competitive pay grades for the positions. Funding comes from FY22 salary savings.

Legislative: Added one (1) Secretary position as approved by City Council on 12/16/2021.

Office of the City Attorney: Reclassified one (1) vacant Deputy City Attorney position to the new position of Chief Deputy City Attorney. This position allows for a higher-level position that will serve as the Acting City Attorney in their absence. Remuneration for this position to be determined by City Council.

Office of the City Manager: Added one (1) Assistant to the City Manager as approved by City Council on 12/16/2021. Increased pay grade for the Deputy City Manager position from AP to BA, to accommodate the pay increase as approved by the City Council on 4/21/2022.

Procurement: Reclassifying one (1) filled Administrative Assistant to one (1) Support Services Coordinator to encompass increased duties such as business liaison, surplus property disposal program, budget, and monitoring performance measures as well as other duties due to growth. Funding comes from salary savings in FY22 due to vacant positions.

Public Works: Reclassifying one (1) FT GIS Technician I position to a PT GIS Technician I position. The previous incumbent has agreed to return to work in a PT capacity and will work 24 hours per week. Reclassifying one (1) Operations Superintendent to one (1) Administrative Assistant. This position will oversee the administrative duties previously covered by the Operations Superintendent. These changes create a positive budgetary impact as there will be savings from both. Reclassification of one (1) filled Engineer II to an Engineer III to allow for increased job duties to include being the lead on multiple projects and grants, managing the City's stormwater rate program and oversight of our consultant, as well as serving as NPDES coordinator. No impact to budget as funding comes from salary savings from an unfilled Engineer II position. Reclassification of one (1) vacant Public Works Division Manager to one (1) Construction Project Manager. This new position will manage all aspects of construction projects within Public works. Funding comes from savings from the reclassification of the Public works Division Manager position. Addition of one (1) new Senior Engineering Inspector. This position will direct, supervise, schedule, train, and evaluate the Engineering Inspection staff. Funding comes from the eliminated Operations Division Manager position.

Recreation: Reclassified one (1) filled Administrative Supervisor to a Fiscal Manager, which parallels the actual job duties being performed by the incumbent. No impact to the budget as funding comes from current vacancies in the department.

Utilities: Reclassified one (1) Office Manager position to a newly created Utilities Administrative Coordinator.

The new position reflects the changes to the actual duties and responsibilities performed by the incumbent, S. Sanabria. No budgetary impact as funding is available in the departments current budget. Addition of one (1) additional Utilities Customer Care Specialist to assist with the increase in customer accounts due to growth in the City. Funding is available for appropriation from fund balance in the Utilities Operating Fund. Reclassifying one (1) vacant GIS Coordinator to one (1) GIS Manager. Due to growth and expansion of the City, this position will ensure that the City's GIS is manager properly and efficiently as well as maintaining the system. Funding comes from the departments current budget due to salary savings.
